All rooms have comfortable beds, en suite bath/shower, direct-dial telephone and satellite TV. Plus hospitality provided with the compliments of the house.

Premier Plus Rooms (available in most hotels) take comfort and quality a stage further, offering such added niceties as a welcome drink, trouser press, teletext, mini-bar, hairdryer and personal toiletries.

Premier Plus Suites (available in some hotels) are especially inviting for the business traveller. Each one has a kitchenette equipped with fridge and microwave, while the private lounge includes a fax and work desk which can easily be turned into an office.

Food That Satisfies.

The majority of hotels offer an excellent hot and cold buffet, and an à la carte and table d'hôte menus as well. And all serve delicious meals, accompanied by reasonably priced wines from our well-stocked cellar. After dinner, the hotel bar provides a welcoming place to unwind.

Conference Facilities That Impress.

Whether you've got a conference for 600 that needs organizing, or a meeting for six, we can supply you with expert staff who will help ensure it's a great success. Likewise, we can cater for a big banquet or an intimate dinner amongst friends, with equal panache and lack of fuss.

Kids Stay Free.

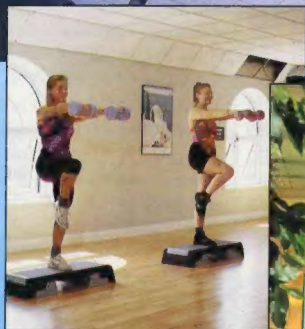

Two children can share a room with their parents, up to age 14 (under 12 Ireland), without charge (subject to availability). Also, special kids menus are available at prices which adults find easy to digest.

Car Parks For Free.

Most hotels provide ample free parking, either on-site or nearby.

LEISURE FACILITIES THAT IMPRESS

Hard day? Why not unwind in a spa bath, take a gentle swim in a heated pool, relax in a sauna or simply make sure you are in top form for the day ahead with a work-out in the gym? Many hotels have fully equipped leisure centres with indoor pools, spa baths, mini-gyms, saunas, solariums and steam rooms which are available to you complimentary during your stay to ensure you get the very best out of your time with us.
